

## General Description of the Company

Anhui Forklift Group Co., Ltd. (hereinafter referred to as AFG) is a state-owned company of Anhui Province. Its predecessor was Hefei Mining Machinery Factory established in 1958. AFG was established in 1992, with the research and development, manufacturing and sale of industrial vehicles, construction machineries and their key parts as its main business. It is presently the largest industrial vehicle research and development, manufacturing and export base in China with the most complete product line and industrial chain. Since 1991, it has been ranking NO.1 for 25 consecutive years in China and it's ranked NO.8 among the world's top 20 lift truck suppliers in 2014.

Anhui Heli Co., Ltd., a core holding subsidiary of AFG, comes into the stock market at Shanghai Stock Exchange Center in 1996 (Stock Code: Anhui Heli 600761).

AFG is a national innovative enterprise, a key hi-tech enterprise of the National Torch Plan, and its technical center was honored as the first level & the only national technical center among Chinese forklift enterprises. The brand "HELI" is a famous Chinese trademark. Its main products have achieved European CE Safety Certification, the US EPA environmental protection certification and system certifications of ISO9001, ISO14001 and OHSAS18001.
